Cameron M. Noel 43yrs old
Sheriff
Beaver, Utah 17yrs

My name is Cameron Noel and I am running for my second term as Sheriff of Beaver County. I have been working in law enforcement for 18 years. Public safety is my number one priority for Beaver County. I would like to report that the public safety budget is in balance, crime in the community has been reduced, and morale in the department is excellent in spite of the downturn in the economy. During my tenure as Sheriff, my office has been successful in obtaining grant funding to update our equipment and computers. I hired a resource office in our high schools that has allowed us to offer support to the educational community and ensure that our children are safe. I am working closely with state law enforcement officials in state government and with several task forces to eradicate the epidemic rise of illegal drug use in our state and county. To facilitate this effort, I have hired a full-time narcotics officer with extensive investigative experience in illegal drug activities. This has resulted in numerous arrests of individuals who have been dealing narcotics in our county and will continue to be a major deterrent to those who would attempt to engage in this activity.

I enjoy serving the great citizens of Beaver County as your chief law enforcement official. I do not take this responsibility lightly and hope I have lived up to your expectations. I have pledged to support and defend the Constitution of the United States of America. In these perilous times that pledge takes on greater meaning for me. The founding principals in the constitution are the first protections that I and all of my officers have dedicated ourselves to insuring to each of you. I ask for your support and for your vote in my campaign for re-election as your Sheriff for the next four years. With your help we can continue to make Beaver the best county in the state of Utah to live and raise our families. Thank you for your support in my second term as Sheriff of Beaver County. My door is always open and I enjoy meeting members of my community about issues involving law enforcement. Please take time to vote in the general elections and I would ask for your support.
